

Regional Studies Association China Conference 2015
'Harmonious Development, Common Prosperity and the Transformation of Cities and Regions'

25th – 27th November 2015, Zhejiang University, Hangzhou, China

Conference Fees

The conference is open to RSA members and non-members. Fees for members and non-members are shown in the table below.

Please be aware that we are offering Chinese members living and working (permanently) in China (Band C) a reduced attendance fee, which has been heavily subsidised by sponsorship. Please contact Elizabeth Mitchell on elizabeth.mitchell@regionalstudies.org, if you would like to benefit from the reduced fees. Proof of residency may be required. You must be a current 2015 member of the RSA of Chinese Division to benefit from reduced fees.

Those living in Band C countries must pay the price stated below for Band C members.

RSA members benefit from a lower registration fee. Non-members might wish to join the RSA to also benefit from the reduced conference fee and our membership benefits (e.g. publications, funding, networking opportunities, awards, open networks and collaborations, an expert register, reduced members' rates for RSA events, conferences and discounted publications).
